

Virgo's Happy Place. Morning Ritual

Original "slow art" by Kristen Palana

This artwork is designed to honor Virgo's gifts of mindfulness, organization, and quiet strength. Inspired by the Virgo zodiac sign, it celebrates the natural talents of **discernment, service, and grounded wisdom.**

This image is part of a zodiac series, where each piece was hand-drawn during its sun sign's season. Every image in the series **blends symbols and patterns from each inhabited continent**, offering a visual meditation on the universal traits we share across cultures.

In this image, a mermaid from European folklore represents Virgo's thoughtful and analytical nature. A coral reef from Oceania highlights Virgo's ability to navigate complexity and bring order to systems. Mountains from North America symbolize resilience and stability, grounding Virgo's energy. A cup of Ethiopian coffee nods to Virgo's love of ritual and focused daily practice. A book adorned with a Mayan Ix symbol from South America reflects wisdom and knowledge. Finally, Japanese cherry blossoms from Asia embody Virgo's modesty and grace.

Suggested Placement:

Hang this piece in your workspace, study, meditation room, or any area where you want to cultivate focus, balance, and mindful intention. Whether used during daily rituals, journaling, or as a reminder of your inner wisdom, it encourages **clarity, stability, and purposeful living.**
